NORTH DAKOTA

THANK YOU

Dear Community Partner,

Thank you for your interest in sponsoring North Dakota HOSA and helping build the next generation of future health professionals. Our organization provides students with opportunities to become leaders in the global health community through education, collaboration, service, and experience. With your support, we are able to help students pursue their dreams. HOSA provides a direct portal for industry and community leaders to network with classrooms and offer educational opportunities to future employees. By choosing to sponsor ND HOSA, you are showing that you support educational programs that are directly relevant to your future employee base. Within this packet, you will find the benefits and levels of sponsorship that ND HOSA has to offer your business/organization. Whether you choose to make a direct contribution or partner in another way, we thank you for your support. We will work with you to create the ideal partnership in order to advance the unique needs of your organization. We look forward to hearing from you and exploring partnership opportunities with you!

Sincerely,

Brandy Madrigal LPN, BS
ND HOSA State Advisor

About ND HOSA

North Dakota HOSA- Future Health Professionals is the next generation of North Dakota's healthcare workforce. North Dakota HOSA, a career and technical student organization in 28 of our North Dakota high schools and colleges, expects to host over 400 students at our annual State Leadership Conference, in Bismarck, March 16-18, 2025.

ND HOSA focuses on leadership development, technical training, and collaboration through education and healthcare careers. We have experienced a membership growth of over 38% in the last year setting a record for membership and are on pace to break that record again this year. We are proud to share that 19 qualifying North Dakota HOSA delegates competed at the 2024 International Leadership Conference in Houston, TX last June. Conference sponsors have a great opportunity to network, market, initiate and sustain new and existing relationships. From exhibitors and scholarships to competitive events, a meal, or conference materials the ND HOSA State Leadership Conference provides greater opportunities to showcase and share your brand. By supporting this year's event, you are helping us to create lifelong learning experiences, while also helping to cover event costs, such as print materials, medallions, student t-shirts, event supplies and more.

Vision & Mission

Encourage North Dakota HOSA-Future Health Professionals to develop skills, commit to learning, and become thriving healthcare leaders in North Dakota Communities.

Inspire. Advocate. Lead

This student-led organization creates a local program of work to engage in community service, explore healthcare workforce opportunities, and experience personal growth.

Radisson Hotel Bismarck, ND

Our sponsorship program is a strategic way to communicate information about your organization, service, or product. By sponsoring the North Dakota HOSA State Leadership Conference, you gain visibility and recognition among hundreds of health science students. With a broad range of sponsorship levels, you can easily promote your message to HOSA students in North Dakota. Opportunities exist for health related organizations and those who support educational programs to become involved with HOSA. HOSA's interests lie in working collaboratively with the health care community and stakeholders. Partners have access to tomorrow's health care professionals. It's a chance to inform, contribute to, and communicate with over 700 North Dakota middle school, high school, collegiate students, teachers and health science administrators.

Will you consider supporting the next generation of North Dakota's health science and healthcare workforce? If we can answer questions about the program or the North Dakota HOSA State Leadership Conference, please call **701-788-5231**. More information is available at **www.ndhosa.org**.
